NOTICE OF MONETARY DETERMINATION

Social Security Number	Claim Type	Benefit Year Begin Date	Benefit Year End Date
[REDACTED]	Regular UC	1/25/2015	1/24/2016

As a result of federal sequestration, the U.S. Department of Labor is requiring a reduction of EUC payments between May 26 and September 28, 2013. In order to comply with this federal mandate, Florida is required to reduce the EUC remaining entitlement for all EUC claimants in Tier III to 15.79% of your regular state claim or 3 weeks, whichever is less.

If you are currently receiving benefits under the Trade Adjustment Assistance/Trade Readjustment Allowance (TAA/TRA) program, federal law requires that those benefits be discontinued until EUC benefits have been paid. When you have received all of your EUC benefits, you may return to TAA/TRA provided funding is available and you are still eligible. We will subtract the amount of EUC benefits you receive from your TAA/TRA benefits.

You may begin certifying for EUC benefits during your regular claim reporting cycle. Benefits are payable only if all eligibility requirements are met. If benefits are denied, you will receive a written notice explaining the reason and providing appeal rights.
